SKILLS

- Flutter
- Dart
- PHP
- Laravel
- MySQL
- SQL
- Firebase
- NuxtJs
- VueJs
- Git
- C++
- Python
- HTML & CSS
- Communication
- Problem Solving
- Teamwork

PROFILE

As a passionate and dedicated Computer Science student, I am continuously expanding my technical skill set through hands-on experience and academic learning. I have developed expertise in full-stack development, including backend technologies like Laravel and mobile development with Flutter. I am also honing my data science and analytics skills, working with tools like Python, SQL, and PowerBI to extract actionable insights from data. My experiences include participating in competitive events like MakerThon 2024, where I demonstrated problem-solving and innovation. With a strong foundation in software development and data analytics, I am committed to applying my knowledge to real-world challenges and continuously growing my technical capabilities.

WORK EXPERIENCE

TUX Global Institute

Full Stack Development Internships

MARCH - JUNE 2024

- Developed RESTful APIs using Laravel for seamless backend functionality.
- Designed and implemented system architecture for multiple projects, ensuring scalability and efficiency.
- Built a charity website using Vue.js, focusing on an intuitive user experience and responsive design.
- Created an e-learning system with Laravel and Nuxt.js, including an admin portal for management and a user-facing web interface for learners.
- Collaborated on frontend and backend integration to deliver robust, full-stack solutions.

TUX Global Institute

Part-Time Software Developer

JULY - DEC 2024

- Contributed to the development of an e-learning platform, utilizing Flutter for mobile application development and Laravel for backend integration.
- Designed and enhanced system features, ensuring an optimized experience for both administrators and users.
- Collaborated with the team to maintain and improve existing functionalities while introducing innovative solutions.
- Leveraged cross-platform capabilities of Flutter to deliver a consistent and responsive learning experience across devices.

LANGUAGES

- English (Good)
- Khmer (Fluent)
